REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. Applicant's amendments to the claims and applicant's arguments, see pages 9-14, filed 10/11/05, with respect to the rejection of claims 1-8 in the previous office action have been fully considered and are persuasive. The rejection of claims 1-8 has been withdrawn. It is agreed that the prior art does not teach or suggest providing a fluted roll blank, wherein the fluted roll blank has a swell, and grinding the fluted roll blank, in combination with all of the other claim limitations. Although the prior art such as Sukenik or Osgood teach crowned rolls with flutes, there is no suggestion of taking a fluted roll blank with a swell and grinding the fluted roll blank having the swell.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc Jimenez whose telephone number is (571) 272-4530. The examiner can normally be reached on Monday-Friday.
